Dear Board of Trustees,

The Children's Home Society of Florida, Palm Beach County is most grateful to Wycliffe, Inc. Charities Foundation for their generosity and interest in the Bridges Program with the awarding of a Grant, and with the help of your kindness, we can still bring the youth and families the vital community programs necessary to help them develop to be healthy, happy, educated, stable and productive.

We are delivering the right solutions, at the right time, to keep more kids safe at home with their Families. We are building upon parents' strengths and empowering them to raise their children in healthy and nurturing homes.

Sincerely,

Patrick M. DeSantis
