Dear Susan,

With deep appreciation, Palm Beach County Food Bank thanks The Wycliffe Charities Foundation for your generous support, which has made a meaningful and lasting difference in the lives of our neighbors. With your partnership, we provided critical nourishment to children, families, and individuals struggling with insufficient food supplies across Palm Beach County.

Your gift of \$21,250 awarded in April of this year helped fund our Just-in-Time Mobile Pantry program from June 2025 through September 2025. With this generous donation, we distributed 76,824 pounds of nutritional, fresh and frozen food, the equivalent of four supplemental meals each week for 1,000 food insecure county residents. This support eased the stress of daily hunger for low-income working parents, seniors on fixed incomes, and food insecure growing children.

The photos below capture your support's real difference, highlighting our Just-in-Time Mobile Pantry—from the trailer full of healthy foods to prepared boxes for families.

Your generosity provided our clients with more than food, it gave them comfort, stability, and the opportunity to focus on improving their lives. One of those individuals is Sharon. Sharon is a college student with a part time job who struggled to cover tuition and living expenses. She explained, "It's not just about food—it's about being able to focus on my studies without the constant stress of where my next meal will come from." Sharon's story is one among many where your gift brought nourishment and hope.

We are grateful for your investment in our mission and our community. On behalf of Palm Beach County Food Bank and our many clients, thank you for your commitment to feeding our food-insecure neighbors. We could not do it without your generosity.

Sincerely,

Jamie Kendall
