

Dear Ed...and all our friends at Wycliffe:

Good afternoon and Happy Friday! I wish we could say we are "taking a breather"...but it's not to be. Having completed our most successful Heroes in Education 5K ever...and then last Friday's Celebration where we welcomed our 100th school as a Red Apple Supplies shopper, we are one week away from this year's GoTeach Grants Celebration (Thursday, 30 October...here at the Center for Public School Excellence and Innovation)...where we will distribute just over \$200,000 through 89 individual grants...with 75% of them being awarded to innovative teachers in our Title 1 Schools. This year's GoTeach Ceremony will start with a reception at 5:00 P.M. in the Cohen Family Foundation Welcome Center, followed by the awarding of the grants at 6:00.

Last Friday's celebration was the talk of the town....and the local news channels were on hand. I thought you would enjoy seeing the story as it was covered by the local media:

I cannot thank you enough for your commitment to our work. The financial support we receive from Wycliffe Charities allows us to continually expand Red Apple Supplies... and so many other programs.

We are now serving students, teachers and programs in 162 of our School District's 183 schools. And your support is making this growth possible...and for that, we are in your debt. Thank you!

With respect,

JSG
